

CALDWELL THERAPY CENTER

Cancellation Policy

There is no charge for a canceled therapy session if the cancellation is made at least 24 hours prior to your scheduled appointment. Our answering machine will record your call information whenever the office is closed.

We do allow two cancellations less than 24 hours prior to a scheduled therapy session without charge; thereafter a \$50 cancellation fee will be charged to your account.

All cancellation charges must be paid prior to your next treatment session.

Thank you.
